SAINT AGNES MEDICAL CENTER - FRESNO, CA

Founded by the Sisters of the Holy Cross in 1929, Saint Agnes Medical Center has provided the highest quality and most compassionate care for Valley residents for over nine decades. A lot has changed in the last 92 years, but our commitment to meeting the diverse needs of our growing population, and to healing the whole person – body, mind and spirit – still inspires everything we do.

Saint Agnes Medical Center comprised of primary, specialty and urgent care clinics, which now includes a network of more than 80 providers at 20 locations in Fresno and Clovis. To provide better access and more convenient care for Valley residents, Saint Agnes Care Center has expanded and now houses the Brain & Spine and Orthopaedic institutes along with General Surgery, Metabolic and Bariatric Surgery and Cardiovascular Surgery all under the same roof.

Work for a world-class organization where our people have an approach to care that's remarkable. This means delivering personalized care and the kind of understanding you'd expect from a neighbor. Because here, recovery is about more than medicine. It's about compassion and commitment. And the strong relationships we have with our patients.
