# NURSEMATCH EXPLORE:

This program allows you to "explore" your employment. If an offer is presented to you after the virtual interview, you will work a "trial period" of 3 months. During this time, you get the chance to evaluate the organization and have the time to become familiar with the community. We hope that you will fall in love with Lake Norman Regional and the community, but for some reason, if you are not satisfied after your "trial period," you can choose to end your employment and return home.
